... In 1983, Reagan was a first-term President, cell phones were the size of bricks, people could smoke in restaurants... and VMI began creating custom retail solutions for RJR. As market dynamics evolved, so did our approach, but it always featured creative, groundbreaking ideas, including one of the earliest uses of LED lighting at retail.

Project Gutenberg is one of the largest sources for free books on the web, with over 30,000 downloadable free books available in a wide variety of formats. Project Gutenberg is the oldest (and quite possibly the largest) library on the web, with literally hundreds of thousands free books available for download. The vast majority of books at Project Gutenberg are released in English, but there are

other languages available.

.
