How To Reverse A Journal Reverse a journal Go to Journals. Click the relevant journal entry. Click Reverse, then change the details of the original journal if necessary. Delete or reverse a journal entry - Sage May 18, 2019. / Steven Bragg. A reversing entry is a journal entry made in an accounting period, which reverses selected entries made in the immediately preceding period. The reversing entry typically occurs at the beginning of an accounting period. It is commonly used in situations when either revenue or expenses were accrued in the preceding period, and the accountant does not want the accruals to remain in the accounting system for another
