Sample Exam Papers AXELOS has produced a series of sample exam papers that you can use to help you prepare for your examinations in any of our best practice certifications. These papers will show you how the questions are typically presented and you can use them to test your knowledge and understanding while you study. AXELOS Best Practice Sample Papers The questions are “gradient scored”. This means that the BEST answer is worth five points, the second best answer is worth three points, and the third best answer is worth only one point. Finally, there is a “distractor”

answer, which is worth zero points. In order to pass the exam, the candidate must earn a total of 28/40, or 70%.

You can search Google Books for any book or topic. In this case, let's go with "Alice in Wonderland" since it's a well-known book, and there's probably a free eBook or two for this title. The original work is in the public domain, so most of the variations are just with formatting and the number of illustrations included in the work. However, you might also run into several copies for sale, as reformatting the print copy into an eBook still took some work. Some of your search results may also be related works with the same title.
