If you're looking for an Anthropology of Religion text for your class, keep going- there has got to be a better one out there. The Anthropology of Religion, Magic, and Witchcraft by ... The complete continuity between magic and religion has been a postulate of modern anthropology at least since early 1930s. [c] [11] The perspective of modern anthropology towards religion is the projection idea , a methodological approach which assumes that every religion is created by the human community that worships it, that "creative activity ascribed to God is projected from man".
