YouTube The Book of Negroes The document called the "Book of Negroes" is a British naval ledger that lists the names of Black Loyalists who fled to Canada during the American Revolutionary War (1775- 83). It is also the title of Lawrence Hill 's third novel, which was published in 2007.

You can search Google Books for any book or topic. In this case, let's go with "Alice in Wonderland" since it's a well-known book, and there's probably a free eBook or two for this title. The original work is in the public domain, so most of the variations are just with formatting

and the number of illustrations included in the work. However, you might also run into several copies for sale, as reformatting the print copy into an eBook still took some work. Some of your search results may also be related works with the same title.

.
